SUMMARY

Summer in Tokushima is very good for tourists. Famous festival called as “Awa-Odori” is held. There are some beautiful beaches. Komatsu beach is near the workshop venue. Tsukimigaoka beach is near the airport. Very beautiful beaches in south area of Pref.Tokushima Ohte beach is very famous beach for surfers. Ohhama beach is very famous beach for sea turtles. Sea turtles come this beach for laying their eggs. Additionally, there are some cool areas for instance, Mt. Tsurugi, Nakoyama plateau, Shiozuka plateau and Iya Valley.

As you know, Naruto-dai is famous sea bream. Naruto whirling waves tone up their bodies.

Tokushima Ramen is a local noodle. When you order it, we will recommend Niku-iri with a rice bowl.

Sudachi is one of citrus fruit. In tokushima, many foods are eaten with juiced sudachi.

The name “Shikoku” means Shikoku Island which is one of four main islands in Japan. Shikoku have four prefectures consists of Tokushima, Kagawa, Ehime and Kochi. Shikoku university is located at Tokushima city.

Please enjoy your vacation after the workshop.
